You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. Cashier's checks tendered at the Trustee's Sale shall be made payable to Lender's Foreclosure Services. If the Trustee is unable to convey title or the sale is set aside for any reason, the successful bidder shall have no other recourse against the Trustor, the Beneficiary, or the Trustee except for a full refund of monies paid to the Trustee at the sale. NOTICE TO PROPERTY OWNER: The sale date on this notice may be postponed by the mortgagee, beneficiary, trustee, or a court under California Civil Code § 2924g. In addition, pursuant to California Civil Code § 2924f, the sale may be postponed ONCE for 45 days if the trustee receives by certified mail or overnight courier with tracking and proof of delivery, at least five business days before the sale, a listing agreement with a licensed California real estate broker showing the property is listed on a public marketing platform. Furthermore, if a bona fide purchase agreement with a sale price equal to or greater than the unpaid debt is delivered to the Trustee in the same manner described above at least five business days before the sale, the sale may be postponed ONCE for 45 days from the date of delivery. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (626) 579-5350 or visit www.lendersforeclosureservices.com, using the file number assigned to this case 25-03-1071. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. Notice to potential bidders: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. Bidders at the trustee auction must make cashier's checks payable to WT Capital. Third party cashier's checks will not be accepted.
